- BGFI Business School in Libreville (Gabon): Visiting Professor for the Master's programme in Finance, January 2014.

+ Title of the teachings

At the University of Paris 1 Panthéon-Sorbonne:

- Financial Analysis (60h) – Professional Master "Financial Management and Taxation"
- Investment Policy (15h) – Professional Master "International Strategic Management"
- Business Valuation and Financial Markets (37.5h) – Research Master "Corporate Finance"
- Accounting and Financial Markets (36h) - Magistère de Finance – 2nd year
- Asset Pricing (24h) – Master 2 "Finance and Asset Management"

At the Free University of Brussels:

- Financial Econometrics (30h) - Master's and DEA in Finance
- Research Seminar (15h) - DEA in Finance
- Topics in Financial Markets (30h) – Dexia Chair – Master's – Finance Orientation
- Investment (30h) – Master in Business Economics

At the University of Science and Technology of Lille:

- Portfolio Management (30h) - Master's in Management Sciences
- Financial Engineering (30h) - Master's in Management Sciences
- Derivative Products (20h) - DEA
- Corporate Governance and Financial Markets (20h) – DEA

At the University of Lille 2:

- Financial Modeling and Stochastic Processes (20h) - DEA
- Market Efficiency and Microstructure (20h) - DEA
- Optional Products (24h) - DESS in International Financial Analysis

At the Catholic University of Lille:

+ *Faculty of Economic Sciences:*

- Financial Management (75h) - Master's in Economic Sciences
- Corporate Finance (30h) - DESS "Financial and Accounting Management"
- Microstructure of Financial Markets (30h) - DESS "Financial and Accounting Management"

+ *Edhec:*

- Spot Financial Products (30h) - Finance Major
- Option Valuation (20h) - Finance Major
- Financial Management (15h) - Postgraduate Training

At the Catholic University of Louvain:

- Monetary and Financial Institutions (30h) - Bachelor's (BAC+4) in Economic Sciences
- Financial Management Seminar (30h) - Bachelor's in Applied Economic Sciences
- In-depth Financial Analysis (30h) - Master's in Applied Economic Sciences
- Financial Management and Market Efficiency (15h) - Specialized Postgraduate Diploma

At the University of Warsaw:

- Corporate Finance (30h) - Master's in Corporate Finance

At Saint Louis University in Brussels:

- Evaluation of Financial Instruments (25h) - DES in Financial Risk Management
- Asset and Real Estate Valuation (8h) – Executive Master in Real Estate (EMI)

At the University of Sherbrooke:

- Capital Markets and Corporate Financing (20h) - MBA in Financial Management

At Fudan University in Shanghai:

- European Capital Markets: A Global Perspective (20h) - MBA and PhD in Finance

At the University of Luxembourg:

- Efficiency and Microstructure of Equity Markets (15h) - Master of Science in Banking and Finance

At BGFI Business School in Libreville:

- Stock Markets (15h) - Master 1 in Finance.

+ Participation/Responsibilities/Scholarships in Academic Institutions and Think Tanks

- Associate Researcher at CRIDE and IRES at the Catholic University of Louvain: Department of Economics and Institute of Administration and Management, from 1986 to 1999.
- Scientific Collaborator at the University of Liège: Department of Economics and School of Business Administration, now HEC-ULg, from 1990 to 1996, and since October 2012.
- Visiting Fellow at Harvard University, Graduate School of Arts and Sciences (GSAS) and Harvard Business School (HBS), Professors B. Friedman and R. Merton; at the Massachusetts Institute of Technology (MIT), Department of Economics and Sloan School of Management, Professors F. Modigliani and J. Poterba; and at the National Bureau of Economic Research (NBER), Professors R. Shiller (Yale) and J. Campbell (Princeton), during the academic year 1989-90, with regular participation in scientific meetings since then.
- Member of the "GSAS Alumni Association" at Harvard since May 1991 and of the "Western Europe Advisory Board" for study scholarships (PhD & Visiting Fellow) and internships in Western European companies since September 2005.
